Solid Color

Open plan spaces where colored dividing walls separate the work station, with grokton tricks that frame and create accents. Harmonious contrasts of ambiguous with cryptic and energetic stimulating colours are counter balanced by relaxing brilliant white.

NOTES:

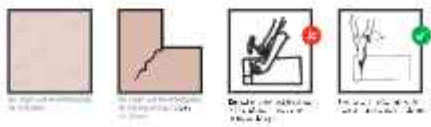

Tested:
All tests are carried out as per international standards.

Maintenance:
Clean with mild soap solution or any household detergent. Abrasive cleaning substances should not be used.

Order:
When placing an order always specify the design number or name along with the finish.

Note:
The samples posted in the catalogue represent the color pattern and not the actual thickness. There may be slight variations in shades from different benches as this is a chemical product. The product must be inspected prior to application as our liability will be limited to the extent of the cost of the product.

- 1. Do not use chemicals for cleaning.
- 2. Ensure a minimum 10mm overlap of laminates when used in the horizontal direction.
- 3. A minimum 50mm overlap is required for vertical joints.
- 4. Use a roller to ensure proper adhesion of the laminate.
