GODREJ SECURITY SOLUTIONS

The leader in innovation in the Indian security industry, **Godrej Security Solutions (GSS)** consistently strives to push the envelope, keeping in mind customer needs. backed by more than a century of experience and expertise, GSS has been at the helm of every breakthrough in the Indian security industry - evolving from a safes manufacturer to a comprehensive security solutions provider offering modern and intelligent technology driven products and services.

Today GSS exports to more than 55 countries worldwide and offers a wide range of security products that run the gamut from sturdy safes and world-class fire resistant solutions to advanced vault equipment and resilient strong room doors.

With customer convenience being integral to all that we do, we offer solutions that go beyond the expected. Because we firmly believe it is these unexpected touches that have the power to transform. Take for instance, our next-gen safe deposit lockers that go the extra mile by offering complimentary accessories such as a log book and a handy magnetic light. Or for that matter, our range of automated safe deposit lockers that allow patrons to sit comfortably and summon their lockers at the swipe of a card.

Thoughtful innovations that enhance convenience go a long way in reenforcing an institution's credibility, heightening your customer's banking experience. Even as you read this, team GSS is working behind the scenes to evolve new ways to harness technology that will go on to shape tomorrow's products and solutions. yes, we are changing to keep pace with a dynamic new world but what remains unchanged is our commitment to upholds the Godrej legacy of **stellar quality, exemplary service and complete trust.**

CHOOSING THE RIGHT HOME LOCKER

Safety for valuables comes in all forms and sizes, with different levels of strength suited for different needs. Thoughtful engineering goes into the designing of every Home Locker from the house of Godrej. Godrej Home lockers are designed keeping in mind that vulnerable areas like hinges, pillars, back of the door and the back of the locker are all thoughtfully strengthened. The multi-bend construction of metal sheets ensure that each locker meets the highest quality standards. Lockers from Godrej also come with hi-tech locking options such as key access, biometric authentication and digital passwords. Not all lockers are equally strong and not all lockers are fire resistant. Therefore, choosing the right option basis one's requirement is extremely important.

PRO SERIES 10X STRONGER*

Home Lockers that provides standard level security to your valuables.

ADVANCED SERIES 100X STRONGER*

Enhance the safety of your valuables with strengthened walls and enhanced security that will ensure your peace of mind.

EXTREME SERIES 250X STRONGER*

Best in class protection for your high value items. Trust the strongest lockers with double walls and patented construction.

FIRE RESISTANT* SERIES

Your important documents will stay safe from fire. The patented in-fill material makes the safe extremely fire-resistant.

MOTORISED LOCKING SYSTEM

Motorised shooting (locking) bolts provide foolproof security compared to spring based mechanical bolts. It cannot be opened even with a strong magnetic field or by aggressive tampering.

I-BUZZ ALARM

Enhance the security of your locker with Godrej I-Buzz Alarm system Module. The Godrej I-Buzz alarm alerts the user with a loud buzzing alarm in case the safe is tampered with. Thus, providing an added layer of security.

I-WARN

A feature engineered to set an alarm via phone call or SMS, if it is tampered or the safe is attacked.

*Reference to strength stronger than a wooden cupboard is based on controlled in-house tests.

BIOMETRIC LOCK

Biometric locks are designed to offer personalized security. Its locking system uses the latest technology to ensure that your valuables are protected with the most intricate key design - your fingerprint.

Store up to 30 fingerprints for foolproof security and give access to your loved ones too.

DIGITAL LOCK

In today's digital age, security too has kept pace.

Godrej NX Pro Digital Home locker designed for both, business and home use, always provides strong security for your valuables. The digital lock protects valuables with a unique 4 to 6 digit password. To add, it also has a non-volatile memory that remembers the password even when the batteries are replaced.

KEY LOCK

Godrej NX Pro Keylock home lockers are a compact, secure and affordable option to safeguard your valuables. Its nickel-plated corrosion resistant lock which comes armed with an advanced key making it extremely difficult to duplicate.

SEETHRU 7 CONTACTLESS

“Smart Safety the contactless way! Now say goodbye to missing your visitors because you aren't home and the worry of sanitizing your doorbell every time someone rings it! Simply relax at home or go anywhere in the world and still stay connected to your visitors with the built-in WiFi feature which enables you to see and talk to the ones at your doorstep through the See Thru Pro+ app on your smartphone. SeeThru ST7 Contactless VDP enables contactless calling just by shaking your head without the visitor touching the door bell, reducing public contact. Now you can choose whom you open your doors to in a smart, contactless way! Isn't it amazing how Godrej technology secures your peace of mind, no matter where you are!
