

Manufacturer of

Premium Quality Edgebands

About us:

We are one of the leading manufacturers of premium quality edgebands in India. Our founding members come with a very strong technical expertise in the industry. Empowered with this extensive experience and expertise of the global standards and processes, coupled with our state-of-the-art manufacturing facility, we are confident to deliver your requirements fairly accurately with very high standards of quality.

Our robust processes and stringent quality measures, starting from raw-material receipt to final product and dispatch, sets us apart from other manufacturers.

Equipped with in-house lab and R&D department helps us to deliver new and improved products constantly. This helps you to stay ahead from your competition.

With an extensive supply network which is well established all over India, our strong distribution network and methodical inventory planning ensures uninterrupted supply for your requirements. Our low TAT helps you to reduce your inventory burden thereby saving your inventory related costs. This means that we can be your reliable and dependable supply partner.

- STATE OF THE ART MANUFACTURING FACILITY
- CUSTOMISED SOLUTIONS
- LOW TAT (TURN AROUND TIME - FROM ORDER TO DELIVERY)
- HIGH QUALITY PRODUCTS

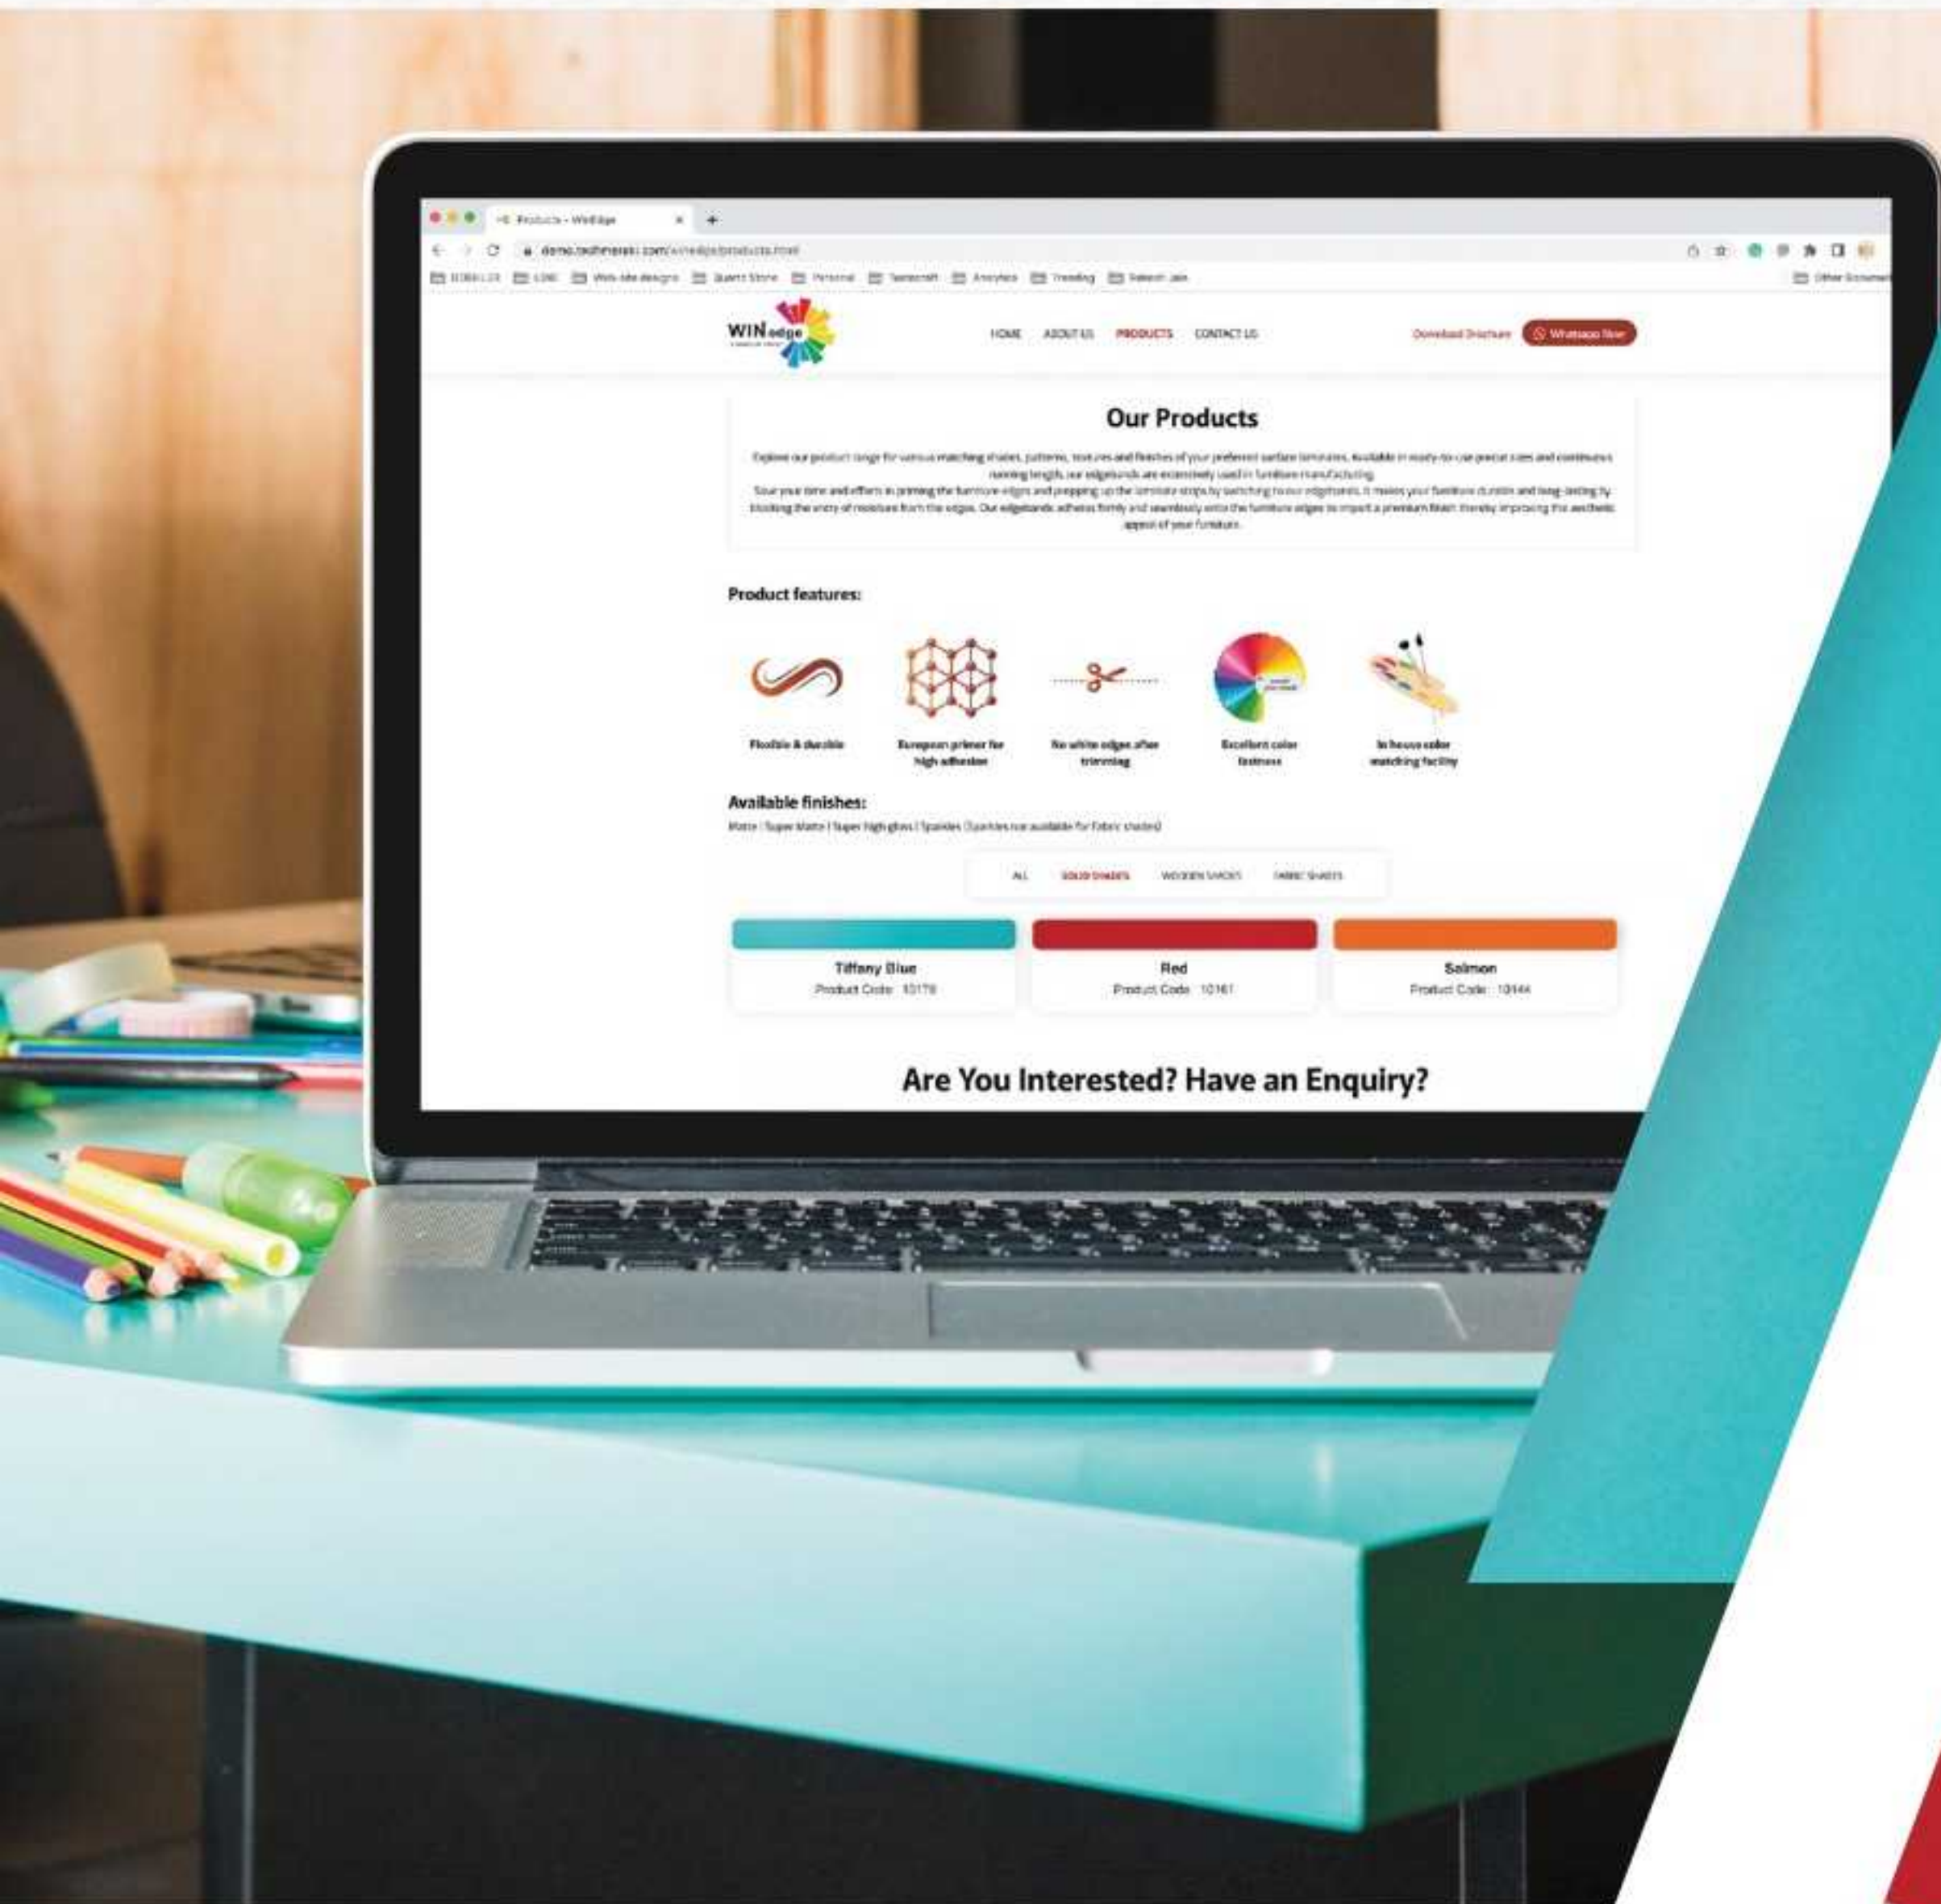

We have more than 500 different shades of edgebands.

Our products are available in 3 different categories, 4 finishes and multiple sizes to suit your requirements:

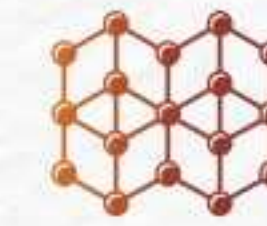

1. Solid shades
2. Wooden shades
3. Fabric shades

Solid Shades
