MERINOLAM
DECORATIVE LAMINATES
Beautifully Strong

This catalogue is designed
to be more durable
& last longer,
thereby saving on precious
natural resources.

Merino stands committed towards environment
conservation & promotes the usage
of E-Catalogue by scanning the QR Code

Art is intrinsic to our culture.

It echoes our thoughts and gives life to our actions.

Art is the befitting testimony of our glorious past and cornerstone of our marvelous future.

Art immortalizes emotions, feelings and splendour in this mortal world.

There's nothing that commemorates beauty more than art.

It's timeless. It's forever.

**Welcome to the
world of Masterpieces**

Welcome to Merino

About Merino

Since 1965, the journey of Merino has been an extraordinary tale of evolution. Beginning with the humble plywood, the group has constantly introduced new products based on top-of-the-line raw materials, production and technology to achieve the podium on which it stands today. As one of the world's largest manufacturers of decorative laminates, the Merino group is globally recognised as leader in the industry of laminates and surface solutions. Products, technologies and techniques may have evolved but one thing is always constant – focus on quality and the zeal to bring world-class surface solutions for our customers. Today Merino Group has a beautifully strong presence in over 80 countries with an annual turnover of over 245 million USD with diverse business interests that expand from Interior Architectural products to Information Technology to Food & Agro products.

Our Vision

Our business is built on the steady pillars of a globally relevant mission, a far-reaching vision and, a strong three-pronged motto.

- Our Vision** : Global competence & global competitiveness in every line of business by synergizing western work culture & Indian ethos.
- Our Mission** : Universal weal through trade & industry
- Our Motto** : Economy | Excellence | Ethics
- Excellence in Economy is** : Economic, when founded on work ethics
Sustainable, when nourished by moral ethics
- Our Inspiration** : "Arise, awake and stop not till the goal is reached" - **Swami Vivekananda**

Certificates and Accreditations

At Merino, we strive to set higher benchmarks that allow us a global competitive advantage. Right from uncompromising safety standards, sustainable production and manufacturing processes to innovation centric research & development, we ensure a consistent range of superior quality products that comply with international certifications and accreditations.

* Products are available as FSC™ certified upon request

Our responsibility as a corporation

At Merino Group, we understand the importance of social responsibility. Our committed CSR policy focuses on various initiatives for the betterment of the environment and society. Our role as a corporation to ensure upliftment of both - our world and its people, is vital to the ethics we hold as an organisation.

Responsibility towards society

We believe, when we grow, our society should grow too. And that's why, we understand the importance of social responsibility. We have committed ourselves to empower and develop our society through various initiatives. We promote girl education through the Swami Vivekananda Arunoday Vidyalaya. Through the 'Shri Prem Chand Lohia Health Centre' at Hapur, we have invested in free treatments and medicines for Tuberculosis patients. We also run a 'Learn to Earn' programme at the Smt. Kasturi Bai Memorial Sewing Centre for women coming from economically weaker backgrounds. Apart from this, the Trust is also actively involved in National Mission Programmes such as Swachh Bharat Mission and the Digital India Drive.

Responsibility towards the environment

Sustainability is at the core of the Merino Group. We incorporate sustainability at various levels to not just conserve energy; but also manage waste effectively. Rice-husk and saw-dust is used to meet our energy requirements. Vegetable waste is used to generate vermi-compost, and boiler ash is used to make bricks. Through our green initiative we develop green belts, plant saplings and use organic fuel & eco-friendly turbines for power generation.

The Journey of Innovation

In 55 years of our corporate journey, one thing has been constant – innovation. Focused on this endeavor, we have explored every opportunity to add coherent value to our products. Better raw materials, superior production and technology, higher performance standards – we stop at nothing but the best for our customers.

Carrying forward our legacy of innovation, we present this exquisite catalogue of mesmerizing surfaces that offers a laminate experience like no other. Along with its digital ensemble, it is the first of its kind in the industry.

Explore this innovative world of Merino laminated surfaces.

Every surface is your signed masterpiece

The architecture of your home is the reflection of your mind. The aesthetics of your home is the reflection of your heart. Our surfaces are a reflection of both. When every door you open begins a conversation and every chair you pull adds more charm to your elegance. When every tabletop represents your taste, and every closet looks as good as the attires within. That's when your home becomes your own unique masterpiece.

Welcome to the world of Merino – An inspirational bouquet of interior design solutions.

With Merino, you're limited only by your imagination.

A house becomes a home when every space within it speaks like the one who lives in it. Merino celebrates a legacy of having decked homes that look like signed masterpieces. From the most intricate functional needs to the loftiest aesthetic aspirations, Merino meets all your expectations.

From grains that echo the spirit of forests to textures that exemplify modern architecture. From designs that resemble stones to the ones that redefine solid colours. At Merino, we have developed an assortment of finishes and textures for the creator in you. Whatever is your style, matte, leather, suede, brush, cement, explore from a wide range of Merino Laminates that are available in an array of designs, textures and sizes. Welcome to the world of beautifully strong: where masterpieces take shape.

FIRE RESISTANCE (FR+)

Fire Retardant (FR+) is a special type of laminate which is halogen free in the category of fire-resistant laminates. As per ASTM and NFPA standards, its performance belongs to Class 1 grade, making it an eminent laminate resistant to fire. With suitable substrates and adhesives, FR+ can help prevent casualties and damage caused due to fire hazard.

CHEMICAL RESISTANT (CHEM+)

CHEM+ is a specially manufactured laminate which is treated with Electron Beam to withstand harsh chemicals like acids, alkalis and reagents. The superior resistance to chemicals makes it durable and suitable to be used in disposable areas in laboratories. Its outstanding quality and appearance give you the freedom to furnish these areas creatively.

ELECTROSTATIC DISSIPATIVE (ESD+)

ESD+ range of laminates has been developed with a purpose to repel dust particles. Its top layer has antistatic properties incredibly higher than products available in the market till now. The special conductive layer guarantees safe discharge of static when used with appropriate earthing. This helps to reduce damage to delicate internal circuits that decreases productivity of electrical equipment by 30%.

ELECTROSTATIC DISSIPATIVE

DUST REPELLENT

REDUCED DAMAGE TO INTERNAL CIRCUITS

All performance laminates are made to order only.
FR+: Can be made in entire Merinolam range
ESD+: Available only in select designs

Woodgrains

The woodgrains range is inspired from art born out of wood - one of the most popularly used art material. The texture, the feel and the fact that nothing represents nature like wood, make wood desirable.

- High Gloss Wood Structures
- Prominent Wood Structures
- Minimal Wood Structures
- Vertical Wood Structures
- Horizontal Wood Structures
- Saw Cut

Superior technology and precision go into production of exquisite surfaces that replicate the texture of natural wood.

WOOD GRAINS

The beauty of nature lies in its handcrafted imperfections. The delicate textures of wood grain have for ages been a muse for designers and architects. Our range of wood grain texture is an ode to this natural inspiration albeit with a host of features that make it a lasting first impression.

THE FURNITURE ART - WOOD GRAINS

Explore the infinite possibilities of furniture with our range of wood grain

Timeless and classic, the natural texture of wood grain lifts up any décor. Be it panels, storage ideas or counter tops, you can never go wrong with a premium wood grain laminate.

The Timeless Troupe

Certain works of art are considered timeless. They have defied the ever-changing trends and have left an indelible mark in the history of time. Leonardo Da Vinci's work is considered to be timeless. His iconic Mona Lisa has been revered since time immemorial. The Timeless Troupe range features laminates that are considered evergreen and timeless, just like his work.

Patterns & Stones

Patterns reflect everyday life and desires in art of various kinds. The continuous repetition of motifs, characters, shapes and objects blend everyday life into designs. Stones on the other hand often give birth to art that become marvels.

- High Gloss Patterns
- Abstracts
- Floral & Fabrics
- Granite and Marble

For ages, Stone has a special place in the minds of artists and connoisseurs. An enticing appeal that has stood the test of time.

PATTERN & STONES

Etched in time, this astounding range of patterns and stones offers an irresistible charm to your interiors. Designed to raise the chic quotient, these special laminates compliment your décor ideas.

THE FURNITURE ART - PATTERNS & STONES

Explore the infinite possibilities of furniture with our range of patterns and stone surfaces

Robust, striking and vibrant, surface set in stone adds an element of charisma to your counter, panel and storage designs. Highlighting the right spaces, these exquisite laminates accentuate your furniture's appeal

Solids

Colour and art are inseparable twins. Colour gives art its personality. It evokes emotions. One of the most celebrated artists, Vang Gogh used solid colours to create masterpieces that are simply timeless. The Solids range is our tribute to the timelessness of colour.

- Monochrome
- Hues
- High Gloss Solids
- Frosted Glass
- Shine
- Textured Solids
- Writeons

Inspiration emanates from an exciting range of colours and hues.

SOLID COLOURS

Colours have always been a quintessential element of interior designs. Selecting the right shade can accentuate your interior landscape. So why compromise on your aesthetics when you have a comprehensive range of solid colours to choose from. Match the perfect shade for the picture-perfect furniture and décor.

THE FURNITURE ART - SOLIDS

Explore the infinite possibilities of furniture with our range of amazing solids.

Bold exciting solids that spice up your interiors. Add a zing of colours to your cabinets, shelves, wall panels and table tops to see the magic work.

FINISHES

BARK (BRK)
Bark finish is inspired by outermost layers of stems and roots of woody plants.

BRUSH (BR)
Strokes that replicate the effect of a paint brush.

CEMENT (CMT)
Rustic-effect inspired by concrete walls.

MONTE (MNT)
Replicates the rich colours and patterns characteristic of the walnut tree.

NUBUCK LEATHER (NL)
Elegant finish that resembles the textures of man-made leather.

OPAL (OPL)
Borrows inspiration from the unique finish of melted glass.

CHIMERA (CMR)
The impression created by the Chimera fire.

CROSSFIRE (CFR)
Artistic representation of gunfire from two or more directions.

DEW DROP (DW)
Delicate patterns that capture the freshness of nature, this carefully crafted surface finish brings your interior alive with the moist dew drop effect.

PARRISH (PRH)
Comprises of asymmetrical waves to give the impression of rustic wood.

RIDGE (RDG)
Linear representation of ripples created in water.

SAW CUT (SCT)
Duplicates the impression of a wood-bark cut by a saw.

DRIZZLE (DZL)
Progressive dash-like structure to imitate the effect of raindrops on a window.

FABRIC (FB)
Comprises of ripples that imitate the soft movement of fabric.

FLICKER (FK)
Horizontal ripples to emulate the effect of light flickering.

Pebble Touch (PT)
Ultra-Smooth & natural finish with near to zero light reflectivity.

STREAK (STK)
A linear finish that reproduces the formation of straight wood.

SUEDE (SF)
Matte texture with a soft-touch similar to the suede fabric.

GEMSTONE (GMS)
Hints of gloss juxtaposed with a super matte finish.

GRAINS (GNR)
Features micro-dots to reproduce the texture of grains.

HORIZON (HRZ)
Horizontal strokes of wood grain.

VENEER (VNR)
Replicates the natural finish of wood grain.

VENZA (VNZ)
Natural finish that comprises of half-crowned patterns of wood.

VERTILINE (VLY)
A multitude of fine vertical lines.

HI GLOSS (HGL)
Highly reflective surface that gives a shiny look.

IMPRESSION (IMP)
Authentic impressions of the bark of a tree.

JEWEL (JW)
Jewel is inspired from typically a single crystal structure cut into shape with flat facets.

WAVE (WV)
Free-flowing patterns to resemble the movement of waves.

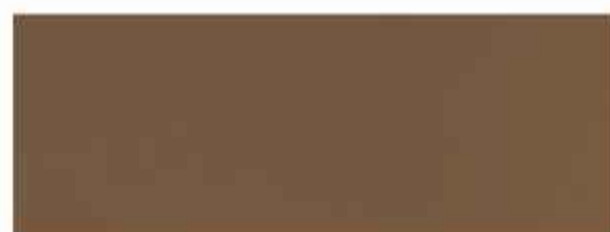

WITNEY (WTY)
Etched in a classic texture, the well defined rugged impression replicates the natural beauty of stone.

VALLEY (VLY)
Wooden finish that features full-crowns of wood.

LINEN (LNN)
Soft-smooth movements to mimic the movement of linen.

MATT (MT)
Non-reflective surface for an opaque look.

MICROLINES (ML)
Fine lines that feature very little gaps.

Index & Technical Guide Book

Every time you buy a Merino Laminate, you don't just buy a product. You become our consumer for life.

The world's leading decorative laminate manufacturer offers you a diverse bouquet of multiple surfaces designed to last a lifetime. Built with superior technology and constant innovation, Merino surfaces are both functional and stylish – making it truly world class.

In order to elevate your designs and enjoy an extended lifespan for your décor, may we suggest that you take a few minutes and go through this index and technical guide book.

Index & Technical Guide Book

MERINO LIMITED LIFE TIME WARRANTY

-  Fade Resistant
-  Water Resistant
-  Wear Resistant
-  Stain Resistant
-  De-Laminate Proof

Merino Laminates believes that excellence and quality comes with a limited lifetime warranty, and thus, we, at Merino, commit to Manufacturer's Lifetime Warranty for its products in various categories, keeping its promise of durability and distinction, across generations.

Our scientific and innovative manufacturing process, imparts our range of laminates with significant durability and resistance to impact. We assure against manufacturing defects and damages, as per ISO 2046 standards, for near a lifetime— the best guarantee on the market.

To avail the warranty, applicable on all the Merino categories, kindly follow the care and maintenance guidelines. For more information, visit www.merinolaminates.com/maintenance-&-fabrication.html.

Terms & Conditions Apply.

For further details visit: www.merinolaminates.com/lifetime-warranty.html or you can also write to us at customer@merinoindia.com.

Disclaimer: Prices vary with respect to type, finish, thickness, size and colour. Please consult with our branches/dealers/factories before quoting. Advance notice of intended discontinued items will be made known to our regular customers. Our company shall not be held liable for any consequences resulted from disruption of supply. High Pressure Laminates are meant for indoor use unless they are of exterior grade that are strictly on indent basis only. Avoid using on areas exposed to direct sunshine or light reflective areas.

Limited Warranty, Merino Industries Ltd. and Merino Panel Products Ltd. warrant that, under normal use and services, the material and workmanship of their products shall conform to the standards set forth on the applicable technical data sheet for a period of twelve (12) months from the date of sale to the first consumer purchaser. Dealers and distributors are provided with the technical data sheets, which contain specific standards of performance for the products. In the event that a Merino Industries Ltd. or a Merino Panel Products Ltd. product does not perform as warranted, the first purchaser's sole remedy shall be limited to repair or replacement of all or any part of the product, which is defective, at the manufacturer's sole discretion. This warranty is not transferable, and expires upon resale or transfer by the first consumer purchaser. This warranty shall not apply to defects or damage arising from any of the following: Accidents, abuse or misuse, exposure to extreme temperature, improper fabrication or installation, improper maintenance. No other warranties, expressed or implied, are made. Under no circumstances shall the manufacturer be liable for any loss or damage arising from the purchase, use, or inability to use this product, or for any special, indirect, incidental, or consequential damages. No fabricator, installer, dealer, agent or employee of Merino Industries Ltd. and Merino Panel Products Ltd. has the authority to modify the obligation or limitation of this warranty.

CARE & MAINTENANCE GUIDELINES FOR YOUR LAMINATES

Storage & Carrying

Store the sheets horizontally with their face turned down. Place a thick hard board on top of the laminates to protect them from any kind of damage. Stock the laminates in such a way that older sheets will be used first. Store the laminates in a dry place to protect them from moisture. They should also be stored in such a way that they don't come in contact with the floor or walls. Always carry the sheets vertically. Don't slide the sheets, lift them while moving them from one place to another. Ideally 2 people should carry one sheet to avoid carelessness that can damage the surface.

Hot Objects:

Even though the laminates have high heat resistance, exposure to temperatures greater than 135°C is not recommended. Do not place hot frying pans or dishes directly from the oven or cooktop on the laminate surface. As a precaution, use a trivet or insulated pad to protect the surface from heat generating appliances such as pressing irons, toasters, curling irons and electric cookers. Prolonged exposure to temperatures above 65°C may result in separation of the laminate from the substrate.

Stains:

The laminates are resistant to stains belonging to Group 1 and 2. Stains of Group 3 and 4 should not be spilled on the surface. In case of spillage, the stains should be immediately wiped off.

Sharp Objects:

Never use knives or other sharp objects directly on the decorative surface. Use a chopping block or counter saver to protect the laminates.

Abrasives:

Abrasive pads, scouring powders or cleansers can permanently damage the laminates making them more susceptible to staining.

Impact:

The laminates have excellent impact resistance. However, dropping heavy objects or deliberately hammering directly on the surface may cause chipping or cracking.

Harsh chemicals:

Harsh chemicals such as oven cleaners, toilet cleaners, or drain cleaners will etch and discolour the decorative surface. The laminates are not designed to resist continual contact with these chemicals. If any of these products spill over the surface remove immediately, rinse thoroughly, and wipe dry.

CLEANING

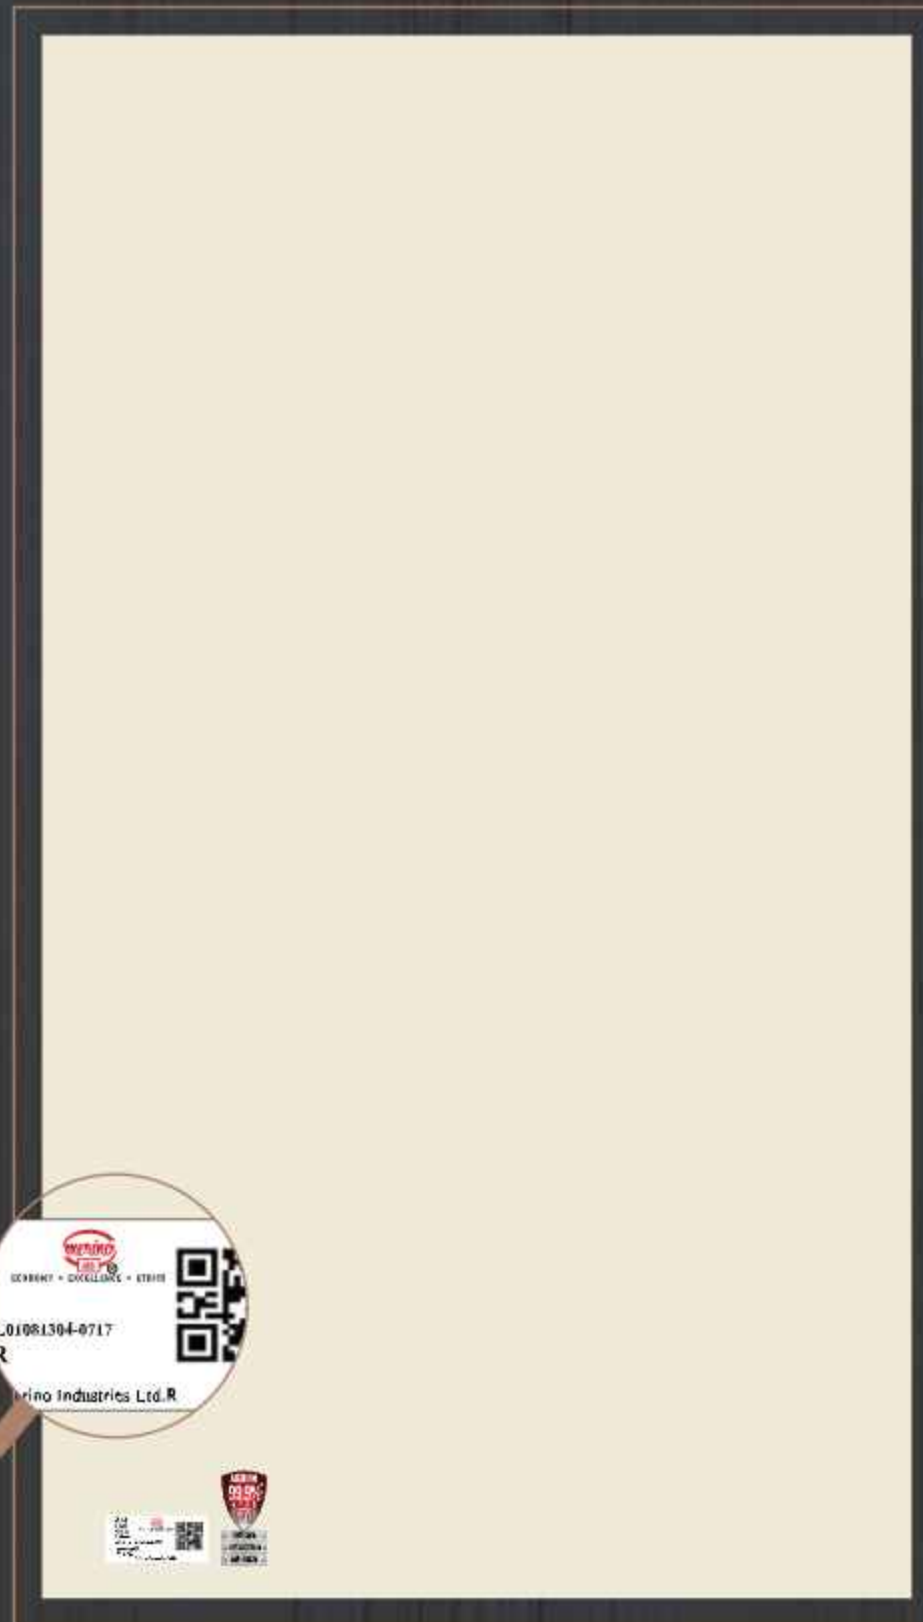

- To clean the surface, use a damp cloth or sponge and a mild soap or detergent.
- Stains belonging to Group 2 such as coffee or tea can be removed using a mild household cleaner and a soft bristle brush.
- If a stain persists, apply a paste of baking soda and water and lightly scrub with a soft bristled brush. 10 to 20 should remove most stains. Although baking soda is a low abrasive, excessive scrubbing or applying too much force can damage the decorative surface, especially if it has a gloss finish.
- Stubborn stains belonging to Group 3 & 4 can be cleaned with undiluted household bleach or nail polish remover. Apply the bleach or nail polish on the stain and let it sit for no more than 2 minutes. Rinse thoroughly with warm water and wipe it dry. If the stain appears to go away and the colour of the laminate has not been affected, this step can be repeated.

WARNING

- Prolonged exposure of the laminate surface to bleach will cause it to discolour. Acid based cleaners will permanently damage the laminates. Never allow these cleaners, or bottles, rags or other items contaminated with these cleaners, to come in contact with the laminates. Wipe such areas immediately and rinse thoroughly with water.
- Group 1: Acetone, trichloroethane, toothpaste, hand cream, urea, alcoholic beverage, natural fruit, fruit drink, meat, vegetable oil, water, NaCl (solution), mustard, soap solution, paint remover (kerosene), phenol and citric acid.
 - Group 2: Coffee, black tea, milk (condensed and evaporated), cola beverages, vinegar, hydrogen peroxide (3% solution), ammonia (10% solution of commercial concentrate), nail polish remover, lipsticks, water colour, laundry marking ink, ball point ink.
 - Group 3: Sodium hydroxide (25% solution), hydrogen peroxide (30% solution), concentrated vinegar (30% acetic acid), acid-based metal cleaners, shoe polish, hair coloring, iodine, boric acid, lacquers.
 - Group 4: Citric acid (Zero % solution), acetic acid (5% solution).

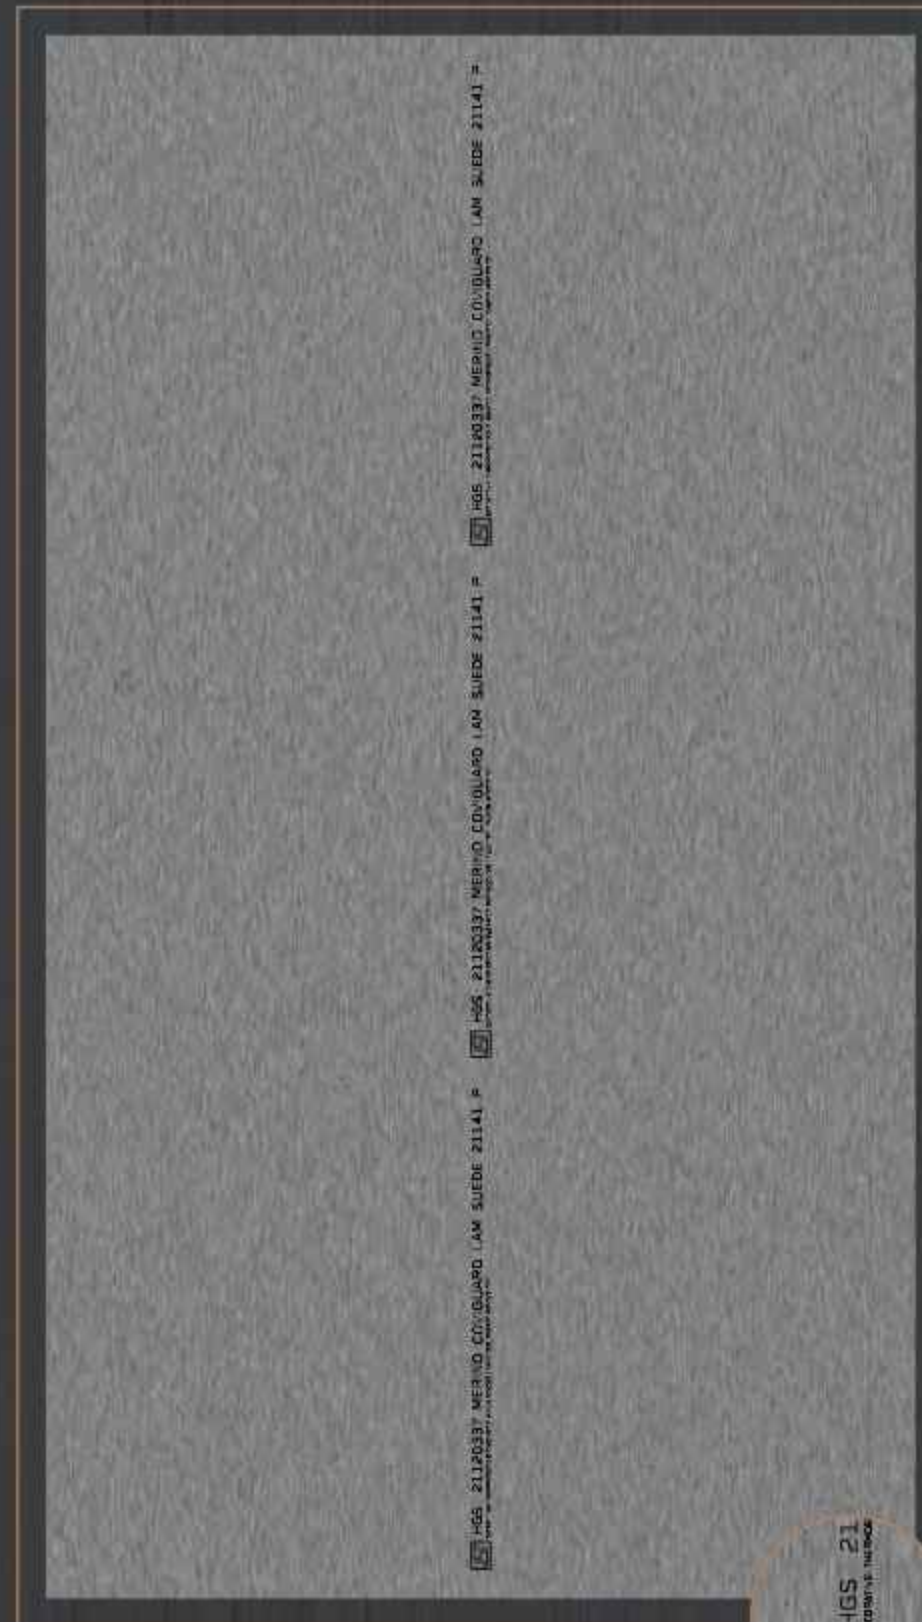

Identifying a genuine masterpiece

At Merino, we define something as a masterpiece when it meets your functional needs and reflects your unique aesthetic sense. But what makes a masterpiece last is its exquisite quality. Which is why we go to great lengths to maintain product quality while ensuring consumers can identify genuine Merino laminates using both technology and markings at key places.

1 QR Code

The QR Code placed on the front bottom of the laminate sheet may be scanned to view the production details of your Merino Laminate.

2 Back Marking

The Back Marking located on the back in the center of the laminate sheet runs from top to bottom of the sheet. This marking contains information about the design number, finish and the grade of your Merino laminate.

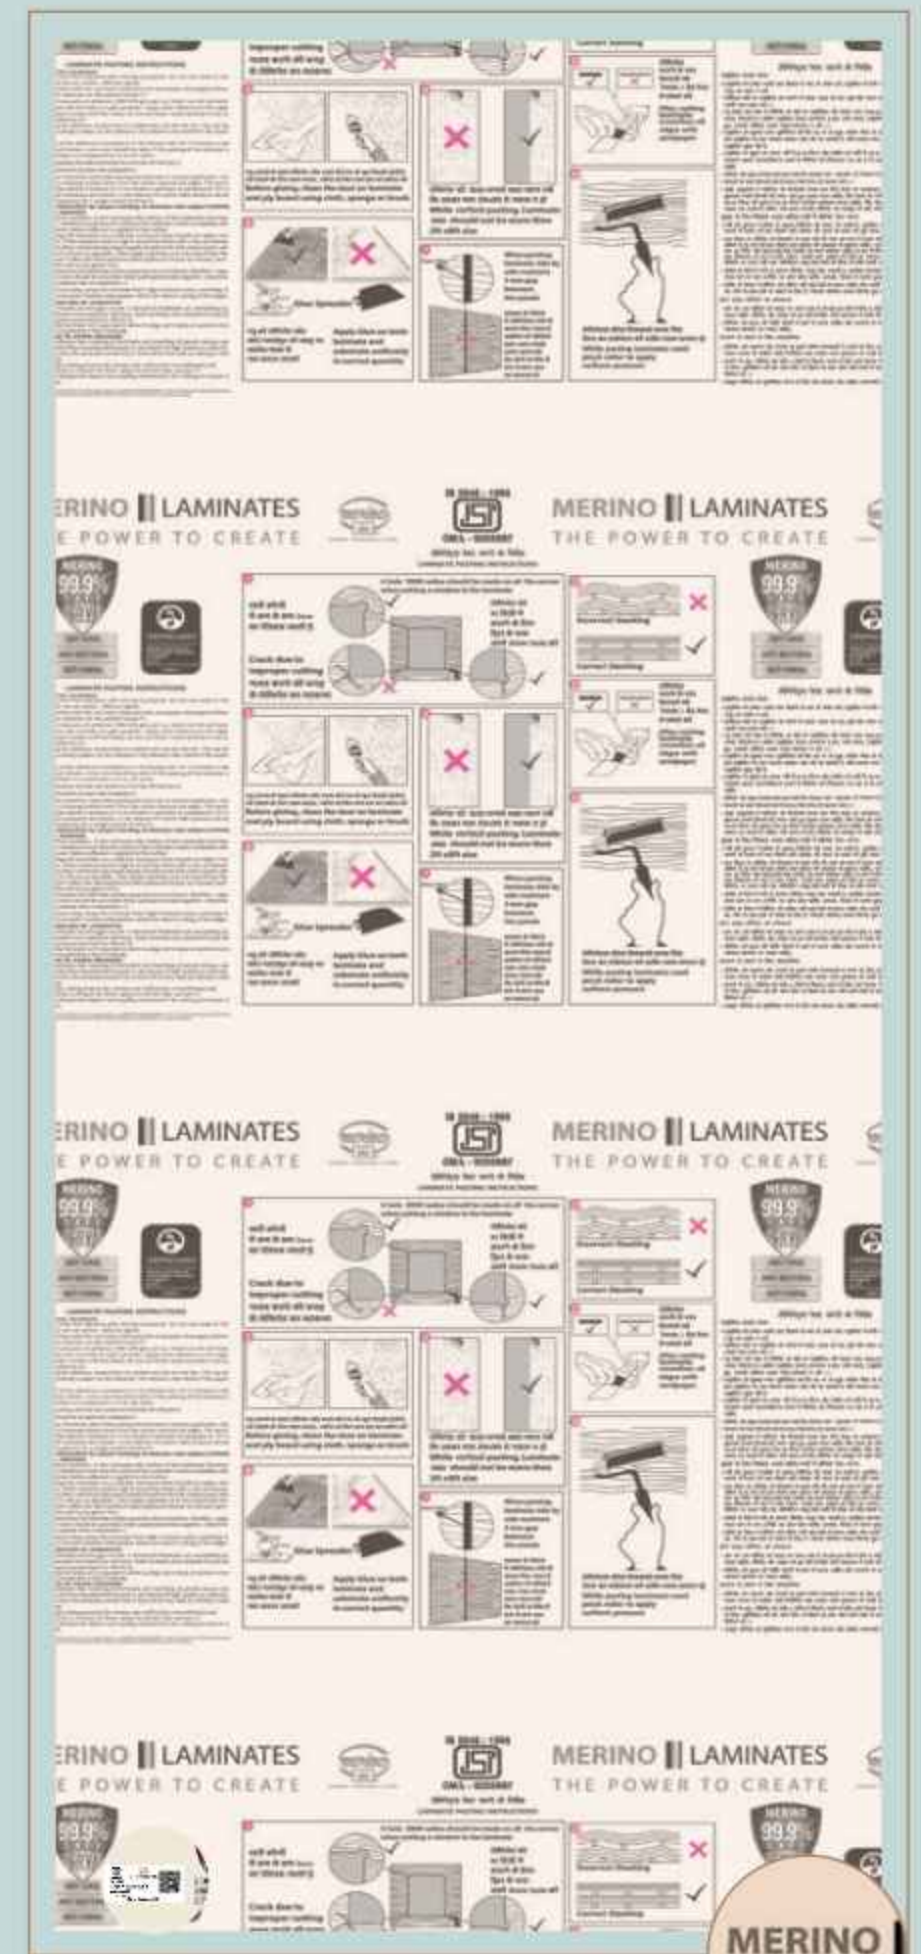

3 Protective Sheet

This is a Branded Transparent protective film on top of Merino Laminates having glossy and mirror finish.

OR

4 Brown Packaging Paper

A protective layer made of paper to protect your merino laminates from any scratches while in transit or during storage placed on top of the laminate.

Other Products from the house of Merino

PANEL PRODUCTS

Panel Products offers complete surface solutions with durability of various substrates like plywood, MDF, Particle Board. It also comes in combination of various decors & surface treatments like PU coated Acrylic panels in Gloss & Matt finishes and Pre/Post laminated boards.

MATT MEISTER

Engineered with a specialized technology, the range is made up of an anti-fingerprint surface with a smooth satin finish. Matt Meister is upper Matt surface with PU+ and multiple acrylic coating done on melamine board/compact. It's resistant to scratches, dry heat and is available in variety of colours. PU+ and multi-acrylic layers create entirely new surface properties as compared to classic varnished surfaces. This technology makes the surface lastingly elastic and improves its processability as single panel.

GLOSS MEISTER

Gloss Meister High Gloss PU+ Acrylic Panels will offer great features to create spaces with breath-taking beauty. The lustrous mirror like finish of Gloss Meister captures surrounding reflection and ensures perfectly smooth surfaces to give any space a distinctive and contemporary look. Gloss Meister has been developed with a cutting edge, innovative process that combines German expertise with Modern PU coating.

PU+ is a modified PU reinforced with Acrylic Polymer thereby achieving best properties of both PU and Acrylic. This process overcomes the limitations of existing PU coated high Gloss panels and provides Gloss Meister the advantage of superior gloss with high scratch, abrasion and impact resistance.

PRE LAMINATED BOARD

Merino Prelaminated Boards are a range of eco-friendly and strong pre-laminated melamine faced particle boards or MDF boards. Laminated with 'Melamine treated imported papers' these are suitable for many horizontal and vertical applications.

COMPACT BOARDS

Merino Compact has an inner core of celluloid fibres impregnated with thermosetting resins. It provides superior mechanical properties. It can be applied on both horizontal and vertical surfaces. They are manufactured in various thicknesses, adequate to eliminate the use of a substrate, and are useful where flat and free-standing panels are required for decorative purposes. Merino Compact is usually used for furniture, partitions, cubicles, panelling etc.

MERINO RESTROOM

Merino Restrooms is the pioneer to introduce Compact Laminate based restroom cubicle solutions in India. With its decade-long experience Merino Restrooms has the largest market share in India with more than 30,000 successful projects across the country. Merino Restrooms are thoughtfully designed to offer maximum safety, comfort and convenience to enhance the experience of all user categories. Merino Restrooms have been installed at several iconic places in India like Statue of Unity, Supreme Court of India, DLF Mall of India, Chhatrapati Shivaji International Airport, Delhi Metro and many more. SOLUTION

EWC (External Wall Cladding)

Merino External Wall Cladding is a Solid Exterior grade Compact High Pressure Laminate. The range has multiple design configurations, sizes, shapes, and is optimized for multiple applications in exteriors including residence, shopping malls, hotels, apartments, office buildings, retail, airports etc. The EWC range is powered with high levels of resistance to weather, UV rays, climatic shock, corrosion, graffiti, pollutants and abrasion.

INTERNAL WALL CLADDING

Merino's Internal Wall Protection Solution is a Compact Laminate based wall protection system with first-of-its-kind technology in India. As the name suggests, the product is primarily meant for internal application to protect the walls from different kinds of damage, along with amplifying the aesthetics of the interior. The components of the product primarily compose of compact laminate panel mounted on the wall surface using suitable metallic hardware profiles. The system renders the walls with impeccable impact resistance along with resistance against bacteria, fire, scratch, graffiti and termites.

MYSPACE (MODULAR FURNITURE)

A series of trendy and contemporary home furniture like, double beds, wardrobes, chest of drawers, TV units, modular units, diningtables to name a few. All the furniture is designed with professional expertise, keeping in view special modular requirements for institutional and corporate spaces, offering modular solutions.

MERINO ACCESS FLOORING TILE

Merino Access Flooring Tile is an ideal flooring surface that has low static generation and retention. It is a practical flooring solution for computer rooms, general office buildings, hospital operating rooms and other places that mandatorily require hygiene, easy maintenance and durability.

PHENOLIC BACKER SHEETS

Phenolic Backer Sheets are used as a surface covering material in conjunction with high pressure decorative laminates and a substrate such as particle board to balance the assembly.

The Luvih Range

Stunning and elegant, Luvih surfaces are designed with Haute Matte feature that gives them a superior matte finish with an irresistible satin smooth touch. Available in 6 product categories and a multitude of styles and colours, these premium matte surfaces elevate the aesthetics of your interior above all else.

Zerōprint

1.2mm Laminates

Premium surfaces designed with Finguard, an innovative feature that offers fingerprint resistance.

StārDust

1.2mm Laminates

Ultra-elegant surfaces embellished with glitters, granules and stones for a luxurious finish.

OneTone

1.2mm Laminates

Uniformity in colour of the core and the top makes it an ideal choice for tabletops, countertops and more.

Bloč

Compact Laminates

An all in one surface with a haute matte finish that can be directly used without any strengthening support.

Flēx

Postforming Laminates

Flexible in nature, Flex is specially designed for non linear surfaces.

Edge

Premium Edgebands

Redefining seamlessness, Edge by Luvih offers an exceptional edge to edge finish for your furniture.

SPECIFICATIONS

Merino High Pressure Decorative Laminates comprises of layers of specially selected paper, impregnated with melamine and phenolic resins pressed and hardened under heat and pressure. The process ensures strong bonding, resistance to boiling water and chemicals, and increases dimensional stability. Surface protection through special treatment renders all Merino Laminates scratch resistant. It is suitable for a wide range of applications such as wall linings, column claddings, doors, shelves, table-tops, work-tops, counters, vanity units, cubicles, lift linings, store fitting, displays, check out desk etc.
